Baltimore, Maryland - Design Collective, Inc. has received the Building Congress & Exchange of Metropolitan Baltimore (BC&E) "Custom Stainless Handrail System" and "Architectural Millwork" 2006 Craftsmanship Awards for the 307 International Circle (Longview Executive Park) project in Hunt Valley, MD.

Design Collective was selected for these two awards based on the outstanding skill and workmanship evident in the project. The firm will be recognized at BC&E's 68th Annual Dinner and 118th Craftsmanship Awards Program on Friday, November 3, 2006, at the Boumi Temple in White Marsh.

The Building Congress & Exchange of Metropolitan Baltimore is an Association of approximately 325 member firms representing a wide cross-section of the construction community. Their mission is to foster interaction among their members for the exchange of ideas and information, for the improvement of the construction industry and for the education of, and service to, members and the community.

ABOUT DESIGN COLLECTIVE, INC.:

Design Collective is an award-winning multi-disciplinary design firm headquartered in Baltimore, Maryland, with a branch office in Durham, North Carolina. Founded in 1978, the firm provides innovative solutions nationally and internationally in architecture, planning, landscape architecture, and interior architecture.
